

Tips & Tricks

Locating the Machine Key for LinkOne Publisher

The purpose of this document is to assist users to locate the Machine Key once they have purchased a LinkOne Publishing system.

Prerequisites

The Machine Key for LinkOne Publisher can be located when the following prerequisites have been met:

1. The LinkOne software has been purchased.
2. ABB have provided the client's nominated contact the access details for the ABB Customer Portal.
3. The LinkOne Software has been downloaded from the ABB Customer Portal.

For assistance, refer to <http://dstechwrite.com.au/> > Tips & Tricks > Getting Started with LinkOne for information on the following:

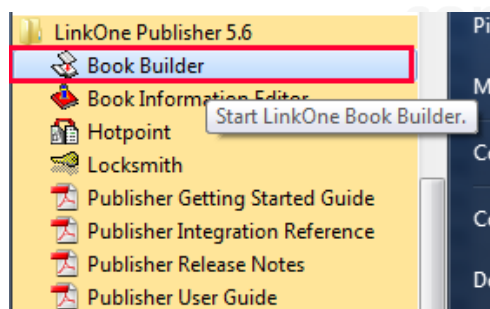

- Accessing the ABB Customer Portal, and
- Downloading LinkOne Software.

Creating the Machine Key

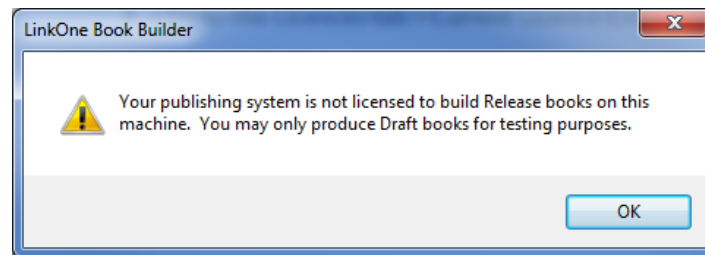

In order to create the machine key for LinkOne Publisher, proceed as follows:

1. Install LinkOne Publisher on the machine that is to build the Release Books.
2. Open LinkOne Book Builder as follows:

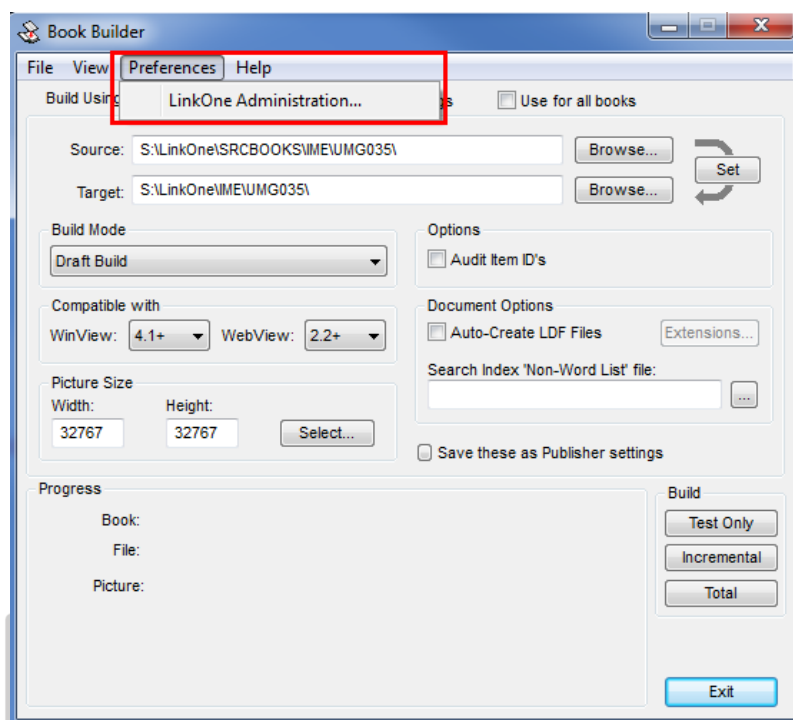

Go to: Start > All Programs > LinkOne Publisher 5.? > Book Builder

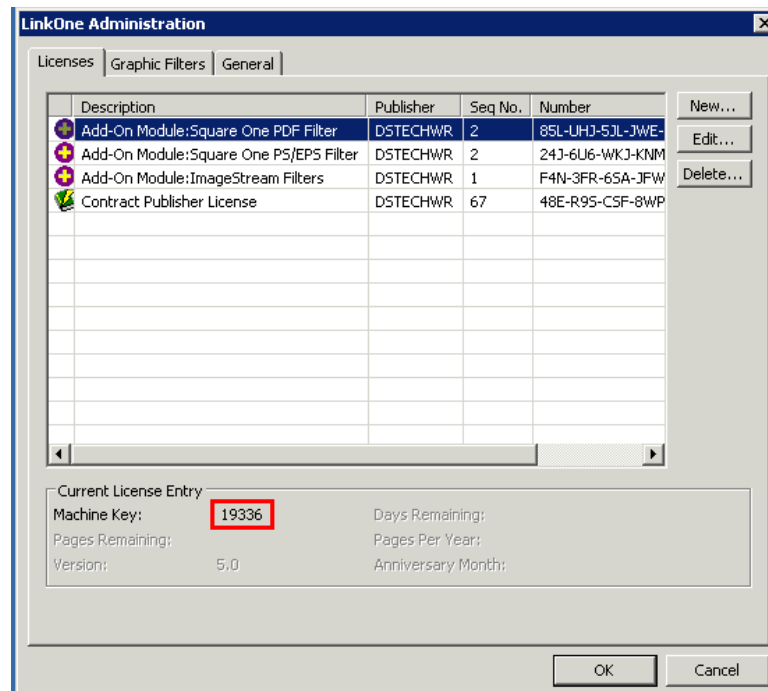

- The following message will appear:

- Click OK.
- Go to Preferences > LinkOne Administration.

- Go to the Licences tab.
- At the bottom of the Licences tab, there is a Current Licence Entry pane.
- LinkOne Publisher has allocated a machine key as shown below.

- Advise DS TechWrite of the Machine Key. DS TechWrite will then obtain the relevant Publisher Licence Number from ABB and forward it to the client.
- The Publisher license is provided in the format shown below. The item highlighted below (eg AAA-WA1-RLB-8A7-RQZ-LA9-VW1-LZP) is the Publisher license.

Publisher	5.0	16 May 2014	16 May 2015	CUSTOMER	14999	1	1000 pages/year	AAA-WA1-RLB-8A7-RQZ-LA9-VW1-LZP
-----------	-----	-------------	-------------	----------	-------	---	-----------------	---------------------------------

- Install the Publisher License (refer to <http://dstechwrite.com.au/> > Tips & Tricks > Getting Started with LinkOne > Installing your LinkOne Publisher License).

NOTE: LinkOne Publisher and the Publisher Licence can be installed on other computers if required for draft working purposes. These LinkOne Book Builder copies will produce draft books only. Only the machine with the registered Machine Key will be able to produce production books.
